

MEET THE SPECIES

(NOTE: Younger children can answer these questions verbally, and adults can help them write them below.)

About Your Species

1. What kind of dinosaur are you?

2. What time period do you live in? Circle one:

Triassic

Jurassic

Cretaceous

3. How big are you? (How long? How tall? How much do you weigh?)

4. What do you eat?

5. Where do you live?

6. How do you avoid being eaten by predators?

7. Why do you think you are one of the greatest dinosaurs ever?
